DIAMONDS TO LOVE IN LEICESTER

Lanes Fine Jewellery of Loseby Lane Leicester might be a relatively new addition to the City, but its roots are anything but new. With a wealth of experience within some of the most prestigious jewellers in London, Lanes know all there is to know when it comes to offering their clients the very best quality and the very best service, all at highly competitive prices. Their contacts and knowledge mean Lanes can provide you with a beautifully designed piece from their collection, or with their bespoke service you can create your own unique piece.

Specialising in Diamond Engagement Rings and Wedding Rings, Lanes provide support and advice for some of the most important purchases of your life. Whether you are looking to buy a piece from the collection, adapt one to suit your requirements or have something in mind to design yourself, the welcoming staff are happy to assist and work with you and your budget. Perhaps you know your stuff and can buy diamonds with ease, or, if you aren't so sure they are keen to share the knowledge that you need to get the best diamonds and jewellery for your budget and requirements.

With some of the best contacts around Lanes provide the largest range of diamond solitaires, including round brilliant cut engagement rings and princess cut engagement rings as well as classic wedding rings and diamond set ones too. Maybe you have a hankering for pink diamonds, for yellow ones, or a particular type that you have seen but can't source. Lanes can. Providing a complete range of classic diamond jewellery such as diamond stud earrings, diamond bracelets, necklaces and pendants they have a vast collection of carefully chosen pieces that

needs to be browsed to be fully appreciated. That all-important engagement ring purchase is a speciality at Lanes, visit and browse the current collection, discuss details, bring your dream diamond designs to life with the team and take some time away to consider your choices. Priding themselves on their friendly approach makes your purchase that much more enjoyable for you, a process which will ensure you are entirely happy with the end result from start to way after the purchase. The boutique thrives on its ability to be welcoming, professional and friendly all at once, fast becoming the family run jeweller you can trust and use for all of those important jewellery purchases in life. So, whether you are looking for that special diamond gift, that crucial engagement ring purchase, to design your own piece or to invest in an eternity ring pop into The Lanes to discover a jewellers quite unlike any other...for all the right reasons.
